

100 HEARTS - WOMEN WHO CARE

We are women from all walks of life with two things in common, a passion for helping others, and a desire to see our efforts directly benefit local nonprofit causes in the Regional Municipality of Wood Buffalo.

How we do this will be simple but powerful. HALOS 100 Hearts will need a commitment from each of us. Here comes the simple part... 2 hours of our time, networking with new friends in a casual social atmosphere.

What comes next is the powerful, a willingness to help through a **\$100.00** donation from each member. A list of local nonprofit organizations will be eligible to be voted on by all of us, and the one with the highest number of votes will receive the collective donation. (\$100 per attendee, per event).

That's it!!! Easy right? We want you to jump on board with us. Bring your heart and be one of the women who care.

This is a wonderful opportunity to give back. It doesn't entail hours of volunteer work, simply just 100 like minded women joining together to make an immediate and positive impact for those in need in our community!
